CP Wesson has selected a LADOT parking lot located on 6th/Vermont. As construction for supportive housing will take several years, we need an immediate solution now to help our fellow Angelenos in the streets.

We would love to have one of our WCBID small business owner to speak in support for the site. I wanted to check with the Board to see if any of you would be interested or know someone who would be good. They only have 5 speakers for the entire presser, so this will be a pretty big deal. Please let me know ASAP. Please give me a call or text message on my cell to confirm your availability 213.321.6163.

P.S. This news isn't public yet, so we are being very strategic and intentional about who we invite. If you could help keep a tight lid on this news, that will be greatly appreciated!
